The screenshot shows a web browser displaying a course page for 'Distribution Centers'. The page has a sidebar with a list of exercises (Exercise 1 to Exercise 6) and a main content area. The main content area is titled '3 Distribution Centers' and includes a 'Vocabulary' section with the instruction: 'Place the words or phrases from the word bank under the correct headings.' Below this is a 'Word Bank' box and three columns of headings: 'Unpacks Trucks', 'Inventories Items', and 'Works on Orders'. Under 'Unpacks Trucks' are 'unloader' and 'lumpers'. Under 'Inventories Items' is 'replenishment driver'. Under 'Works on Orders' are 'hauler' and 'order filler'. A large empty box is present above the headings, likely for a student's answer.
